

Directions to start of walk

Here are some guidelines for travelling to the start of the walk around Peover Hall.

Just a word of warning – using the postcode for Peover Hall will not help as your SatNav (like mine!) will probably direct you to come to the Hall from the A50 (from the west). This won't work as there is no through road from this direction.

Instead turn left off the A50 and go down Stocks Lane. When you reach Over Peover bear right down Grotto Lane. After about 500m, turn right into Blackden Lane (this is signposted for Peover Hall). See map below.

There's limited space for roadside parking on the left of Blackden Lane so please do car share where you can.

A50 from Knutsford
