**Are you over 50? Living in Salford?  
Would you like help using technology?**

Tech and Tea is a free course helping people over 50 use technology with confidence. This may be for **online shopping, accessing local information or connecting with family and friends**. Courses are for one hour per week for five weeks. To join the course, you must be over 50 and a Salford resident. We will provide you with a tablet for a contribution of £30. If, at the end of the course, you don't want to keep it, we will arrange to collect it from you and refund you the £30.
